INSTRUCTIONS FOR REFEREES

Please attach a one page report in confidence, using the questions below as a guide.

About the candidate:

- Have you worked directly with the candidate before? In what capacity?
- What is your opinion of the candidate's general ability and suitability for research training?

About the project:

- What is your opinion of the proposed project? How sound is the project design?
- Is the project feasible given the resources of the host Institution/Department (including physical space) and the candidate's background/abilities?
- What impact could the proposed project have on scientific knowledge and the lives of people living with food allergies?

REFEREE DECLARATION

I have adequate knowledge of the candidate's character and ability to comment on their suitability for the CFAR Postgraduate Research Scholarship, and have attached a one page report addressing, to the best of my knowledge, the questions above.
